

Bodyonix Bahamas has years of successful experience in Sports Events Projects Planning and managing the process of the set up and facilitation of events. We have assisted with Health Fairs, Fun run walks, Road Races, Community wellness projects and many other sporting championships or regional events both local and international. We welcome you to contact us to present and discuss your event ideas, as we are confident that along with our awesome network of event professionals, can plan and manage your event for you and it would be a successful one to remember and hopefully become an annual event.

We have the team, knowledge, experience and passion for your success.

Contact us today.
